

PETTIGREW COLLEGE, UKHRUL

AFFILIATED TO MANIPUR UNIVERSITY, 1981 MANIPUR -795142

PROVIDING QUALITY EDUCATION WITHIN THE REACH OF ALL

PROSPECTUS: 2021-2022

PRINCIPAL'S MESSAGE

It is a privilege for me to welcome all the new students to **Pettigrew College**. An Institution should be a place that shape young people's lives and builds their character. Hence the role of an educational institution is not only to pursue academic excellence but also to motivate its students to be lifelong learner and critical thinker of an ever changing global society.

We are moulding young people who can serve and succeed not only in their respective career but also in serving humanity. To achieve this, we need to work jointly with our student to create an environment for open exchange of view and experience, support each other's quest for quality of all fronts

My best wishes to the new students entering Pettigrew College.

I. COLLEGE PROFILE

Established in the year 1965 as a co-ed institution, Pettigrew College prides itself in its history of 54 efficacious years of existence, making it the oldest college and the only government college till date in Ukhrul district. The college, as such, has long been committed to providing quality education in the higher education sphere of the region.

The rich legacy of the college can be traced back to the vision of the founders who were the educationists, public leaders and public at large of the Tangkhul community. Fondly named after Reverend William Pettigrew, the pioneer missionary who introduced education in the district, the college initially functioned as a private institution for 12 years and was later on taken over by the government of Manipur in the year 1977. The vision and mission of the founders to provide access to quality higher education particularly for the rural Tangkhul community, for them to become active participants in the changing and challenging world has since then come a long way.

The college is dedicated to keep pace with the progressive educational trends of higher education. It marches onward to realize and elevate the vision and values of the founders with the outstanding faculty of the college as the key strength, who are devoted to provide innovative educational opportunities, promote creativity and excellency in the students. Besides academic rigor, the college stresses on the employability skills of the students and offers a free short term course in Information Technology (IT) in addition to the core subjects, with the sole purpose of equipping and preparing students with the soft skills and technical skills vital in workplace and real world situation.

Location: The college is situated at Meizailung, about 7 kms north of Ukhrul town and 90 kms from Imphal, the capital of Manipur. The college campus is spread over a sprawling land area of 26 Acres. The scenic location away from the hustle and bustle of the town

provides a tranquil and secure environment ideal for constant learning.

V. CAMPUS FACILITIES

Library: The college has a well-stocked library where students and teachers can have access to texts of different disciplines. Periodicals subscribed by the college are also available in the library. Students can avail the facilities as per the library rules issued separately.

Hostel: The college provides hostel facilities separately for both boys and girls. The hostels can accommodate up to 100 students. Deserving students can avail concession of fees by paying a meagre registration fee of Rs 500/-only per academic session. The mode of selection is done on the basis of first come first serve system.

Canteen: The college has a canteen within its premise. It is open during office hours to meet the refreshment needs of the staffs and students of the college.

NSS: The National Social Scheme (NSS) is well implemented in the college. NSS units comprising of both boys and girls are engaged in various community services. It provides ample opportunities of organizing a number of activities which exposes students to social services related to cleanliness, preservation of environment and social forestry.

Games and Sports: Facilities for games and sports both indoor and outdoor are available in the college. The college has a spacious football ground, fields and provisions for a number of other games like volley ball, table tennis and badminton. The college Sports Meet is held annually in the college campus.

Students' Union: The students are given a platform to enhance the leadership qualities by allowing them to form a Students' Union with its office bearers elected annually as per the guidelines issued by the college authority. The Union functions for the welfare of the students' community in particular and the college in general.

Gym: Well-equipped in-house gymnasium with latest machines and exercise equipment's are available within the college campus for the students as well as faculty. Students are encouraged to use the facility to enhance their physical fitness and hone their physique. The gym provides an ideal opportunity who otherwise cannot have access to such facilities.

Laboratories: The college has individually designed and well equipped Laboratory facilities of various Departments for both Arts and Science streams.

- **Arts:** Geography Lab, Education Lab.
- **Science:** Physics Lab, Chemistry Lab, Botany Lab, Zoology Lab.

Computer Lab: The college has over 30 computers to meet the students Information Technology needs. Trained and experienced teachers provide both theoretical and practical lessons for students to help them navigate a changing technology driven world. The room is also equipped with audio visual teaching aids and acts as an audio visual teaching room for teachers to deliver lessons and educational films whenever necessary.

VI. GENERAL INFORMATION

Discipline:

- Students are expected to maintain a high standard of discipline in all spheres of activities in the college. They should follow the rules and regulations prescribed by the college authority from time to time.
- College property, furniture, library books etc. must be treated with care.
- Smoking and use of intoxicants within the college campus is strictly prohibited.
- Ragging of students within and outside the college campus is banned.
